From the Pastor's Porch:

Go Out

I mentioned that it is required for us to Go Out. We can't just Love God, Love Others and be a disciple. Going Out is a necessity! What does that look like?

As I mentioned, there are three parts required for going out:

- 1. Serving those in need**
- 2. Inviting others to join you (at church or small group)**
- 3. Sharing your faith by having faith conversations with people who don't have a relationship with Jesus Christ.**

I've also mentioned that we are serving those in need through coming and serving at Boca Helping Hands and that I'm working on training the session on how to have faith conversations. But there is one really amazing opportunity where you can do ALL THREE.

Guatemala 2 - March 2018

Take a chance and go on the Guatemala 2 mission trip. You won't regret it. You will be able to put your faith in action and truly GO OUT. In Guatemala, you will no doubt have an opportunity to serve those in need by building them a house or stove. You will have the opportunity to meet new friends and invite them to come join you. Lastly, you will have the opportunity to talk to people who are eager to hear about Jesus Christ.

There is no better way to GO OUT than going to Guatemala in March.

Robert "Micah" Jackson Robinson's Baptism

And Jesus came and said to them, "All authority in heaven and on earth has been given to Me. Go therefore and make disciples of all nations baptizing them in the Name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything that I have commanded of you. And remember I will be with you always, to the end of the age.

2¢ a Meal

Take a small bank and put it on the table where you eat. Say a prayer and put 2¢ a person in the bank. These donations will grow and when filled, bring it to church and put it in the 2¢ bank. At the end of the year, these donations will be sent to several organizations who help others less fortunate.

Wednesday Night at Glades

Love Others

Love Others - Be in an accountable small group study together. What should a small group be studying? First of all, the Bible. Take time to study a book of the Bible. Second, do a study written to help us live the life Christ wants us to have. Third, study the doctrine of our faith so that we can defend it to all who ask. (We will do all three of these each year). We will focus on our Wednesday night opportunities. Look for more info soon!

Update 11

TARA IN EAST ASIA

"Your word is a lamp to my feet and a light to my path" -Psalm 119:105

你好朋友们!

Hey friends! I am happy to announce that our team has safely arrived in EA, and that we are slowly but surely getting settled in over here. The last few weeks have been such a whirlwind, but things are finally starting to normalize a little bit as we start to figure out a new routine.

As most of y'all know, we spent a week of training together in Chicago where we had a lot of meetings, and also some free time to explore the city. As you can see in the picture to the right, we got to go to a Cubs game! On top of the fun, the Lord did some really amazing things

during this week, one of them being raising 25% of my support! I went into the week sitting at 72% of my goal, and I left the week with 97%! Raising support has been a real challenge for me this year, and at a lot of times I didn't fully believe that the Lord would provide, so it was incredible to see Him do just that even in my unbelief. Praise God!

Once arriving in-country we only had about three days at home until we had to head to a nearby city for some location specific training. This was a really fun and useful time for all of our EA region to come together, learn more about what it looks like to serve over here, and to get to know each other a little bit better! While there are a few people (about 10) like me who have returned for a second year, there are far more that are here for the first time. It was really fun and encouraging to catch up with some old friends and to make a lot of new ones!

We have been at home in our city for about a week now and it has been a lot of fun getting to know our new team! In addition to the six of us pictured above, there are two other couples (one

returning from last year) that live here full time that we get the opportunity to serve with. While things are still a little hectic, we are starting to figure out how things are going to work this year, and I cannot wait to see all that the Lord does through these amazing people!

Even though its only been a few weeks, I miss y'all so much already!! Please feel free to email, text, or FaceTime whenever! God Bless!

Tara Martin

Prayer Requests

Ways to come along side me in prayer over this next year!

- **Settling in!** Please pray that our team has an easy transition settling into our homes over here to EA, and that we are able to get over jet lag
- **Our disciples!** Please pray that our disciples will not be too busy this semester, and that they'll continue to take more ownership of the fellowship
- **New friends!** Please pray for us as we go out on campus over the next few weeks with the main intention of making as many friends as we can
