

# The Glades Gazette

July 2018

My excitement at being the pastor of Glades Presbyterian Church cannot be contained. I see the hand of God in the details of being called to this wonderful portion of the body of Christ. While unpacking books for my office I discovered a document. It was dated September of 2014, whereby I was paired by the PCUSA's system (Church Leadership Connection) to Glades Presbyterian Church, but at that time this church had other plans. However, even in this, I see proof of God in the mix.

I must humbly admit I was probably not mature enough to be your shepherd at the time. Although, we had accomplished a great many things in Niagara Falls and indeed things that were nationally publicized, in my arrogance I believe I would have been an impediment to you. Then three years ago almost to the day, came my stroke and my miraculous recovery. In that same time, all of you endured your test. It was as if God had to grow us both and then He cleared the way for us to find each other.

I rejoice in the love with which I am embraced by all of you. The feeling is mutual; and you could detect that since day one. Imagine how I feel to be instantly engaged in conversations about God and God at work in your lives, instead of how I messed up the final hymn (which I did). This family is special. It is pure. God is going to do great things through you. And you will witness great things. And it my great privilege to be on this faith journey with you.

God bless you all!

With love, Yours in Christ Jesus,  
Pastor David
