Giving Thanks Grace and Peace to you

This month, we celebrate the season of Thanksgiving: A time for giving thanks to God for providing for our every need. Culturally, we have grown detached from God, the land, and the thought of giving thanks. The world focuses more on what someone else has and what we, then, want rather than recognizing our blessings and expressing our gratitude. Thanksgiving has devolved into an excuse to: overeat, get drunk,... and watch football. It was the day before the materialism binge of “Black Friday” and now that too has spilled over into Thanksgiving Day. Increasingly, retailers are opening on Thanksgiving, making it difficult or impossible for families to gather together for their dinner. I implore you not to support this practice.

The best prescription to counter this disease of our society is the same it has always been. We need more of Jesus Christ, and the surest way for that is in support of your Church. Glades Presbyterian Church needs your time talents and resources as much as ever. And thus, my segue into stewardship. We have begun our fall drive and need your pledges for our planning for the coming year. Consider your giving and what the Lord has in store for you and for us in the future. Our Father has big plans in mind, I assure you of that. You have endured much as a church and more than survived. Be part of this adventure and leave a legacy. I hear there will be some inspiring and entertaining sermons coming on the subjects of thanksgiving and stewardship this month.

We all look forward to seeing you here. May God richly bless you and your family this month.

Sincerely yours in Christ Jesus,

Pastor David

Take a small bank and put it on the table where you eat. Say a prayer and put 2¢ a person in the bank. These donations will grow and when filled, bring it to church and put it in the 2¢ bank.
