From the Session

Fathers, do not exasperate your children; instead, bring them up in the training and instruction of the Lord. - Ephesians 6:4

**In January of 2022 we had Grandpa's Day (January 22).
Last month we had Mother's Day (May 8).
And here's what is in store for next month:**

**Hug Your Kids Day (July 18)
Gorgeous Grandma Day (July 23)
Aunt's and Uncle's Day (July 26)**

**But guess what THIS month celebrates?...
Yes, it's FATHER'S DAY! (on June 19)**

Fathers, we can thank Sonora Smart Dodd for founding Father's Day in the US. Sonora was 16 when her mother died during childbirth. It was the family's sixth child. Sonora dearly loved her dad and how he was raising the family all by himself. So, when she heard a church sermon about a new holiday called Mother's Day, she decided to start a similar holiday for dads! This was in 1910, and by 1916 it was embraced across the country. The holiday did not become official, however, until President Lyndon Johnson signed a proclamation for it (1966), and President Nixon permanently established it to occur on the third Sunday of June (1972).

Fathers have always loved their children. But they need to discipline them as well. Here is what the New Testament writes: God is treating you as sons. For what son is not disciplined by his father? If you are not disciplined (and everyone undergoes discipline), then you are illegitimate children and not true sons. Moreover, we have all had human fathers who disciplined us and we respected them for it. - Hebrews 12:7-9

A HAPPY FATHER'S DAY to all of Glades' dads!

Glades has a new Organist!

Renata Trager is a graduate of the Indiana University School of Music in Bloomington, Indiana.

She went on to spend about fifteen years living in Indianapolis and working as a church musician, recording artist, accompanist, and private teacher.

After moving to Florida in 2017, Renata spent some time filling in for colleagues who were on vacation, and she is very glad to have found her way to Glades.

Renata is originally from Poland and now lives in Coconut Creek with her two daughters and two dogs.

During the week, she oversees clinical program operations for Sunshine Health.

When not playing music, she can be found in the kitchen, cooking up a storm.

If you haven't already done so, please say Hello and introduce yourself to Renata!
