From the Session

The 4th of July is a great American holiday. It is typically celebrated with time off from work, backyard barbecues, and of course fireworks. It is a time when every American should feel extremely proud of the country we live in and of being an American, whether born here are not. It is also a time to remember the founding fathers and the brave Americans who lost their lives in the American Revolutionary War. Full freedom was not obtained until the signing of the Treaty of Paris more than seven years after the Declaration of Independence, in the fall of 1783.

It is also noteworthy that while most of the founding fathers came from protestant backgrounds, including Presbyterianism, they were also influenced by Deism. The founders advocated for universal education, freedom of press, separation of church and state, and perhaps most importantly, that all men and women are created equally in the eyes of God.

May the nations be glad and sing for joy, for You rule the peoples with equity and guide the nations of the earth. - Psalm 67:4

Have a very patriotic and happy month of July!

At the end of the year, these donations will be sent to several organizations who help others less fortunate.
