

**July 2025**

**Glades Gazette**

**July is a very special month.**

**It is the heart of summer and the birth of our great country.**

When we say, "God bless America," or "God bless the USA," we should feel truly blessed and inspired for all that we have and for which our ancestors, families, and fellow countrymen have fought to preserve.

The 4th of July is both a celebration of our country and its diversity. While it is not a religious holiday, it invokes a sentiment of all that we should be thankful for and all that God has given us in this land that is our home. While the USA has its share of problems, it is a plentiful land with a strong democracy. We are a free people.

**Leviticus 20:24**

refers to the land of Israel as "a land flowing with milk and honey.

" The United States of America is also a land flowing with milk and honey.

Please join us at the church for an incredible fire works display and celebration on Friday, July 4th, at 9:00PM.
