From the Session

Legends and myths about St. Patrick's Day abound: leprechauns, shamrocks, pot of golds, and lots of green!

But the true story is more exciting.....

Patrick was born in 385 in what is now Scotland. When 16, his home was robbed by pirates, and he was kidnapped and shipped to Ireland.

There he was intentionally isolated for six years as a shepherd. Even though his father had been a deacon and his grandfather a priest, Patrick's faith meant little to him.

In a dream, God told Patrick to flee 200 miles to the coast, where a British ship would be waiting to take him home. So he escaped, and did indeed find that ship waiting for him.

Back in Scotland, Patrick was a changed man. He yearned for pagan Ireland to become Christian. So he became a priest, then returned to Ireland with this lofty goal in mind.

But the country and its king were reluctant, and Patrick faced so many dangers in Ireland that he began to carry a dagger with him. But eventually, the king and many of his subjects were converted and baptized. He also started 300 churches during his mission through the country.

St. Patrick is said to have died on March 17, 461 in Saul, Ireland, where he planted his first church. Atop a hill overlooking that town is a large monument, with panels depicting scenes from his life.

So, on this March 17, let us raise a frosted mug of green Guinness into the air, and give a toast and a thanks to St. Patrick, the "Apostle of Ireland."

Dear congregation:

As you know, recent corona virus fears have further reduced the size of our weekly congregations. Regardless, our church must pay its employees, utilities, and upkeep expenses every month. So, we would kindly ask that you keep up-to-date with your pledges/tithes/offerings, even if you are not currently attending our weekly services. Thank you. If you'd like, you can mail them directly to church:

Glades Presbyterian Church
